The applicant must declare the following additional information relevant to the origin of the goods described overleaf. This information forms part of the declaration. Tick appropriate box /boxes below and supply the additional information in the space provided:

- 1. The goods were manufactured/produced (delete as appropriate) in the United Kingdom wholly from United Kingdom materials or components by the company named below.
- 2. The goods whilst not comprised wholly of United Kingdom components or materials are entitled to be considered as of United Kingdom origin by the virtue of the economically justified substantial process which has occurred in the United Kingdom as indicated below.
- 3. The goods are of foreign origin declared overleaf as proved by the documents attached to this application as per Standard Rules (e.g. foreign certificate of origin, certified invoice, customs declaration or other documents.)

Insert the name and full address of the place of manufacture for the goods listed on the certificate.

Insert above either: name and address of manufacturer
name and address of processor with description of process(es) or
name and address of foreign manufacturer (attach proof of origin as per Standard Rules)

Box 1 – For UK goods WHOLLY produced or manufactured from UK raw materials.
e.g Meat, vegetables, minerals, wood etc. **Most goods contain some overseas components/parts – Box 2 is usually most appropriate**

Box 2 – For goods where a substantial process has taken place in the UK resulting in UK origin status.

Box 3 – For goods of foreign origin. It is mandatory to provide evidence of origin.
Acceptable evidence:-

- A copy of the invoice from the manufacturer.
- A certificate of origin from the country of export.
- A declaration from the manufacturer or producer of the goods.
- Photographic evidence; this should show the serial number/model that can be matched to your invoice and the country of origin 'Made in.....'

Box 3 Country of Origin

- (i) For goods of UNITED KINGDOM origin insert "UNITED KINGDOM".
- (ii) For goods of non-UNITED KINGDOM origin insert the name of the individual country of origin. Do not use area groupings such as the European Free Trade Association (EFTA).
- (iii) Where a certificate includes goods of more than one origin, it is permissible to insert in Box 3 the words "As shown in box 6" and to indicate the country of origin clearly against each item listed in Box 6.

Box 4 Transport details

Although completion of this box is not essential, it is strongly recommended to state the means of transport in order to facilitate identification and association of the Certificate with the consignment of the goods to which it relates.

Box 7

State quantity expressed in gross or net weight or other units or measure.

Box 8

The signature on the application form must be a handwritten original signature unless the certificate is produced by an approved electronic system. Applicants must NOT sign Box 8 on the Original or Copy Certificates.

RULES TO BE OBSERVED WHEN COMPLETING A CERTIFICATE OF ORIGIN AND THE APPLICATION FOR SUCH CERTIFICATE

- 1. The form shall be completed in typescript in one of the official languages of the United Kingdom or, depending on the practice and requirements of the trade, in any other language. If prepared in a foreign language an English translation is required.
- 2. The certificate and the application must not contain erasures or superimposed corrections. Alterations are to be made by crossing out the erroneous entries and adding the correct entries as required. Any such alteration must be authenticated by the person making it and endorsed by the competent authorities.
- 3. A horizontal line must be drawn immediately below the final entry. Lines must be drawn through unused space to make any subsequent addition impossible.
- 4. If the needs of the export trade so require, one or more extra copies of this certificate may be made.
