

Welcome to January's edition of our i-Bulletin newsletter for Exporters.

With BREXIT being at the forefront of all our minds we are working hard to ensure we provide the support, advice and training you need. Visit the [BREXIT section](#) of our website for information and also keep an eye on our events calendar. We already have several courses and workshops for you to attend, with more events being planned.

Remember we are here to help, so please [contact us](#) with your enquiries.

### Export Focus - Customs Declarations

Whether you use an agent or make your own import and export declarations, being prepared for the changes that are required is a must!

It is important that businesses are aware of what is required of them when it comes to the preparation of import and export customs declarations together with the information that they need to supply.

The Government have set aside £5 million for training grants to help companies complete customs declarations with the new CDS Service. You may qualify for grants for both training and IT improvements. Find out more [here](#).

Join us for our [one day course](#) or for additional advice on CDS, or any of our other services, please [contact us](#).

### Monthly Focus - BREXIT & Beyond

Be ready for Brexit and beyond by getting prepared! Join us for this one day in-depth Masterclass to ensure you are as ready as you can be!

Every day brings new discussions about what will happen when the UK exits from the EU. What is certain is that you need to start planning now. Our Masterclass will explore the likely options and analyse the uncertainties but most importantly, this Masterclass will show you what to do and when to do it, to ensure you are ready when Brexit day one occurs, and thereafter.

Stay ahead of your competitors, impress your customers and plan a strategy for your supply chain. Be prepared for what may lay ahead.
