

Welcome to February's edition of our i-Bulletin newsletter for Exporters.

After a busy start to the year, we are still going strong. We have lot's going on to inform, support and guide our customers. Please take a look at our snapshot of upcoming Export Expert training, events and useful webinars.

With International Trade and the Union Customs code now being a hot topic, don't forget our Customs Advisor is available to review your in-house compliance and cost efficiencies together with helping you get "ready today and prepared for tomorrow". Find out more by [contacting us](#).

We welcome your feedback on our monthly publication you can find our contact details below.

Monthly Focus - The Arabian Gulf

If you are new to export or, already exporting but looking to update your knowledge, this event will help you by focusing on trade opportunities within the Gulf.

In a region where British products are well regarded for quality, and English is widely accepted as the language of business, no wonder more and more companies are looking at the Arabian Gulf as potential new export markets.
