

Welcome to July's edition of our i-Bulletin newsletter for Exporters.

We have been working hard organising our events and training for the second half of 2018. Our first new event will be "Selling Online Internationally" - read more in our Monthly Focus.

Our Export Expert training courses are running again for the second half of the year, with the introduction of a new AEO Masterclass – take a look at the full programme for more information.

We would love to hear from you if you have any suggestions or feedback on I-Bulletin!

### Export Documentation Focus

#### Formal Undertakings

We have recently revised our Formal Undertaking in line with the new GDPR rules that came into effect in May.

When completing the undertaking, please take the time to indicate whether you wish to receive notifications from us so we can add you to our system. You can unsubscribe at any time.

If you already receive emails from us but think you are missing out on important notifications you can review your subscriptions by selecting the 'Unsubscribe' link at the bottom of this email.

For additional advice please [contact us](#).

### Monthly Focus - Selling Online Internationally

Do you import consumer goods, export and sell your products via e-bay & Amazon or are you a SME who sells internationally?

As your e-commerce grows, so does the regulation and compliance. This workshop will guide you through the process and bring to your attention some of the areas you need to comply with to avoid the pitfalls that exist.

Join us to learn how to comply with consumer and

**HMRC:** Latest updates
